Questions received below with South Daytona answers in Red.

Clarifications from the City of South Daytona:

1. We are NOT a 24 hour a day company but we ARE 8am - 5pm 365 days a year. Will that be a problem for this bid?

8-5 should be fine.

2. Do you have a detailed filter list of all the filters needed at each location?

Filters vary, but we do not know of any non-standard type filters.

3. Can you please explain to me "Bid Bonds" as this is an item I have not seen before?

Not needed for this Bid.

4. Contracts on Hand...Is this referring to any new construction, remodels, or large jobs we are involved in at this time or Maintenance Contracts for our typical homeowners?

Those will work.

5. Just to clarify the bid is requesting a 3 YEAR bid with QUARTERLY check ups and an option for the city to renew for another 3 YEAR term, is this correct?

Correct. This Agreement shall be for an initial Term of three (3) years with the CITY having the option to renew for an additional three (3) year Term
